

DDR 342-62

11 July 1962

MEMORANDUM FOR: Chief, Office of Special Activities, DDR
Chief, Office of Elint, DDR

SUBJECT: Technical Evaluation of [REDACTED] 25X1D

1. This evaluation indicates continued trouble in our Elint equipment. The DD/R is concerned over this situation.

2. It is requested that OSA, in conjunction with OEL, prepare a short analysis of the reliability and signal quality obtained from this set of equipment. Special emphasis should be placed on steps required to upgrade the performance.

3. It is requested that this analysis be presented to the DD/R during the week of 23 July 1962.
